**Brief overview of duties and responsibilities:**

Contractor does hereby agree to perform the duties of **OFFICIAL VETERINARIAN** and maintain supervision of the Test Barn at the racetrack during the race meeting licensed by the Commission, all in accordance with Title 15, Chapter 2, Part 6, of the Rules Governing Horse Racing in New Mexico, Revised 2016, and in accordance with Directives and Instructions as may be issued from time to time by the New Mexico Racing Commission. It is further agreed that copies of Title 15, Chapter 2, Part 6, of the Rules Governing Horse Racing in New Mexico is considered a binding contract by the Contractor and will be enforced in its entirety during the term of this contract. A copy of the Standard Operating Procedures must be adhered to, a copy will be provided to contractor preceding the race meet.

Conduct out of competition blood sample collection on selected horses at designated times as required by the New Mexico Racing Commission.

Provide pre-race inspections on an as needed basis. The inspection may include a hands-on tactile inspection as well as observations of the horse in motion. The extent of the inspection will be determined at the discretion of the Executive Director of the New Mexico Racing Commission. Pre-race inspections will be carried out at the trainers' barn.

The Contractor will act on directives and instruction, as may be issued from time to time by the Executive Director of the New Mexico Racing Commission. It is crucial that the Contractor have extensive knowledge and experience of veterinary practices, including experience conducting equine soundness examinations, test barn procedures and familiarity of State Government rules and regulations.

If you have any questions regarding the position, please contact Rosemary Garley via email ([rosemary.garley@state.nm.us](mailto:rosemary.garley@state.nm.us)) or telephonically at 505-222-0704.
